

Health and Beauty Queries

BY MRS. MAE MARTIN.

E. B. S.: Although gray hair is sometimes caused by worry, it is generally due to a diseased scalp as indicated by such symptoms as the dandruff, itching scalp and brittle, falling hair of which you speak. To restore your scalp to a healthy condition, first keep it clean by shampooing every ten days or two weeks with castile soap, then massage the scalp, using a good quality hair tonic. You can prepare the tonic yourself by adding one ounce of quinine to a half pint of alcohol and a half pint of cold water. This is much better than most ready-prepared hair tonics as it contains nothing to make the hair coarse, sticky or stringy. It will remove the dandruff and stop your hair from coming out. You will find it an ideal dressing for the hair and very refreshing to an itching scalp.

B. M. D.: (a) Do not let your superfluous flesh worry you. Even though you have spent many dollars trying different so-called "reducers" without any of them doing a bit of good, I want you to try this one. I have many friends who tell me it did wonders for them. Get four ounces of paraffin from any drug store, dissolve it in $\frac{1}{2}$ pint of hot water and take a tablespoonful a few minutes before each meal. It is harmless and will cut down your fat rapidly without the necessity of dieting or strenuous exercising. (b) That good eczema remedy you ask for is oiled luster.

A. F. S.: To be sure, health and beauty go hand in hand. Indigestion and sluggish liver cause impure blood, which in turn breeds ugly blotches, pimples and skin eruptions, accompanied often by depression, melancholia and headaches. These may be all removed by the judicious use of a simple home-made system tonic and blood purifier, made as follows: Dissolve one ounce of karene and one-half cup of sugar in one-half pint of alcohol; then add enough hot water to make a full quart of the remedy. Take a tablespoonful before each meal. Karene stimulates the digestion, arouses a torpid liver, purifies the blood and gives tone to the whole system. By a natural process the complexion is cleared, the "dried feeling" vanishes, and energy and enjoyment of life returns.

G. E. A.: It may be all right to use dry shampoo powder where you are very careful to brush out all of the powder; otherwise it will clog up the pores in the scalp and cause dandruff, the very thing you should avoid. To keep your hair looking bright and healthy and make it grow, use a shampoo that does not contain any of the following: Alkaline, soap and most shampoos do. Dissolve a teaspoonful of castile soap in a cup of hot water and you have a shampoo that can't be excelled. It will remove all excess oil and dirt, and leave your scalp free from irritation. This shampoo dries quickly without causing streaks, faded patches in the hair. It will make your hair soft and fluffy so it will stay up and look nice without the use of a hair net or veil.

HASKIN EXPLAINS TREASURY'S WORK

(Continued from previous page.)

work of the treasury department is its process of keeping the nation supplied with money. This process, in the case of paper money, begins with the purchase of the raw paper and the engraving of the plate. The plates are engraved with most exacting care. The public is not permitted to see the engraver at work, nor is any one engraver permitted to prepare a whole plate. The money is never printed from the original plate, but duplicates are prepared from it by a mechanical process. If this were not so, it would be practically impossible to detect counterfeiting, since no two plates for printing money of the same denomination would be exactly alike. The fine lines on the paper money are

AMARILLO LOCAL OPTION

CASE IS NOW ON TRIAL.
Fort Worth, Texas, Oct. 6.—A motion for rehearing in the celebrated Amarillo local option case, entitled Savage vs. Underwood, will be submitted to the court of civil appeals for the second district Friday. If the court overrules the motion, the prohibition election will be called in Potter county. The district court of Potter county declared the first election in favor of the anti and the decision of the district court was upheld by the civil appeals court.

While the motion for a rehearing was pending, a second election was held, resulting in a victory for the anti. The attorney general rules the second election void on the ground that a motion for rehearing was pending. Friday the court will take no cognizance of the last election.

BANKERS MAY GO TO SAN ANTONIO NEXT

Watts To Be President and Huttig Chairman of Council.

Los Angeles, Cal., Oct. 6.—The election of chairman of the executive council of the American Bankers' association will be held on Friday.

Charles H. Huttig, president of the Third National bank of St. Louis, probably will be the next chairman of the executive council by the withdrawal of William George, of Aurora, Ill., whose friends had urged him to be a candidate for the office. It is conceded by all the delegates that Mr. Huttig will be the unanimous choice of the convention. F. O. Watts, president of the First National bank, Nashville, Tenn., and at present vice president of the association, is scheduled to succeed to the presidency, according to the progression rule of the association, and Fred E. Farnsworth, the present secretary, probably will succeed himself.

The question of selecting the city for the 1911 convention continues to be a subject of great interest. San Antonio, New Orleans, Atlantic City and Richmond are aspirants for the honor of entertaining next year's, and a hard fight is on between these cities.

Representatives of the Texas city are making a strong fight. The matter will be taken up by the convention Friday, but it is possible no decision will be rendered by the executive council until next May.

SOUR STOMACH

It Is Caused by Food Not Digesting in the Stomach and Can Easily be put in Fine Shape.

Belching of gas and sour food into the mouth means that the food in your stomach is fermenting and forming poisonous gases.

It means, moreover, that your stomach is bad; that it is not pouring into and mixing with the food the gastric juices which are necessary to properly digest food.

If this condition is allowed to continue the stomach will become flabby and weak and the blood will become watery or impoverished.

You only have one stomach to take care of; it will be with you as long as you live.

Treat it as well as you can and when it fails to do its work and causes distress, give it the best remedy for stomach ailments known to science.

Give it MI-O-N-A stomach tablets, the remedy that Kelly & Pollard guarantee to cure any stomach trouble, or money back.

There is nothing on earth that will turn a tired, flabby, overworked stomach into a strong, vigorous one in so short a time as MI-O-N-A.

For distress after eating, fermentation, heaviness, heartburn or gas, two MI-O-N-A tablets will chase away the misery. MI-O-N-A surely does cure indigestion, and the price is only 50 cents a large box at Kelly & Pollard's and druggists everywhere.

Suffered Miserably

Cardui Helped Her

"I suffered miserably," writes Mrs. Mattie L. Bishop, of Waverly, Va. "Very often I would have to go to bed until it wore off. Everything I ate made me miserable and I could not even wash the dishes after a meal. My husband begged me to try CARDUI, but I had tried so many medicines I didn't want to. However, for his sake I tried CARDUI and before I had taken one bottle I felt all right. I can now do all my work and recommend CARDUI to every woman."

Are you one of the thousands of women who suffer as Mrs. Bishop suffered? Don't be discouraged—take CARDUI,

the woman's tonic. It has relieved thousands, when other remedies have failed. You owe it to yourself to try this great remedy, for it is only reasonable to believe it will help you, too, since it has benefited so many others.

CARDUI is a purely vegetable tonic, containing no injurious drugs, and therefore perfectly harmless and good for young and old. It acts gently on the delicate female constitution and leaves no bad after-effects.

Try CARDUI—it can't harm you—it will surely help you. At all druggists.
